**E**NDURABLE  
VERTICAL STRIPPER.

- No toxic solvents
- No caustics
- Works on almost any sealer, coating, varnish, or paint
- Long-lasting as evaporation rate is much slower than typical solvent-based strippers, allowing product to remove several coating layers without losing strength
- Easy to apply by roller or mop
- Won't burn skin
- Mild odor allows indoor use
- Works over most substrates
- Good coverage rates
- Does not leave bond-breaker residues like soy strippers
