

Ameripolish® PG-7K

Polishable Grout Coating System

Ameripolish® PG-7K is a fast setting, polymer modified, high-strength modified cement with outstanding bond strength formulated specifically to fill in small cracks, pinholes and surface irregularities in concrete floors. It also increases durability, gloss and distinction of image (DOI) on most floors. PG-7K readily accepts Ameripolish® concrete dyes and requires no special polishing procedures. Ameripolish® PG-7K Part A - Powder must be used with PG-7K Part B - Liquid.

Features

- Fast, setting, high strength cement that fills in small cracks, pinholes and surface irregularities
- Increases durability, gloss and distinction of image (DOI) on most floors
- Concrete gray color blends in with surrounding concrete
- Readily accepts Ameripolish® concrete dyes
- Easy to use 2:1 mix ratio
- Buttermilk consistency for fast and easy troweling

PG-7K Details

PRODUCT SPECIFICATIONS

Application	Drywall knife or spring blade / mixing bucket
Appearance	Milky liquid / dark powder
VOC	No VOCs
Shelf Life	1 year

Product #	Shipping Weight	Container(s)	Coverage sq.ft./G
PG7K-A	50 lbs	PG-7K A - Powder	5,000 - 7,000 (when mixed)
PG7K-B	25 lbs.	PG-7K B - Liquid	5,000 - 7,000 (when mixed)

WARRANTY

The information contained herein is believed to be reliable. This information is based on laboratory testing and results. Because of variations in methods, conditions and equipment, each user must test this product to make a judgment of performance. Applicator is responsible for testing material for effectiveness and performance. Manufacturer obligation is limited to the refund of purchase price or replacement of material if proven to be defective. Claims must be made in writing and received within one year from date of product sale to original buyer. Sole remedy shall be replacement of product proven defective.

CAUTION

WARNING—Before using or handling this material, read the Material Safety Data Sheet and Warranty. EYE, SKIN AND GASTRO-INTESTINAL TRACT AND RESPIRATORY TRACT IRRITANT. Avoid contact with eyes, skin and clothing. Avoid breathing vapors or mists generated by this product. Use appropriate eye protection, and chemical-resistant gloves. Material is not flammable, but if exposed to fire material may produce irritating vapors and toxic gases (e.g., carbon dioxides and peroxides). **KEEP OUT OF REACH OF CHILDREN. DO NOT TAKE INTERNALLY.**
