

Easy-to-use diamond tool kit for concrete floor grinding.

The new **G200 series** of Redi-Lock diamond tools is specially developed for smaller floor grinding jobs. The easy selection and setup makes G200 tools a good choice also for beginners and non-professional users. Husqvarna G200 tools are ideal for use with the smaller range of Husqvarna floor grinding machines:

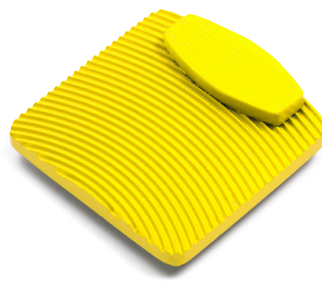

Husqvarna PG 450, PG 400 and PG 280.
