

Portable hand sanitizer stand HSS48

An OBHC Inc. product

The slimline design of the HSS48 is the most durable hand sanitizer stand on the market. It has a 14-gauge steel mounting plate and upright post. Offsetting the upright allows us to load test with over 25lbs. Coupled with 1/4" tripod legs make the HSS48 incredibly stable.

M.S.R.P. \$115.00 (quantity discounts available)
